

MILK AND MILK PRODUCTS LABELING MANUAL

TABLE OF CONTENTS

About the International Dairy Foods Association.....	2
Introduction.....	3
Legislation Affecting Food Labeling	3
How to Use the Manual	5
Association’s Labeling Program	5
<hr/>	
GENERAL LABELING REQUIREMENTS	19
Introduction.....	21
Enforcement and Federal Preemption of Food Labeling Laws and Regulations.....	21
Federal Enforcement	21
Sample FDA Warning Letter	22
FDA’s Enforcement Approach to the NLEA Requirements	23
State Enforcement	23
Federal Preemption	23
Application of State Labeling Requirements	24
Effect on Advertising	25
General Labeling Regulation Definitions.....	26
General Labeling Definitions	26
Prominence of Required Information	27
English Language	27
Fortification Policy	28
Principal Display Panel (PDP).....	29
General Principal Display Panel Information	29
Principal Display Panel Area Determination	32
Information Required on the Principal Display Panel.....	35
Product Nomenclature	35
Net Quantity of Contents	40
Container Fill	51
Information Panel (IP).....	52
Location and Placement of the Information Panel	52
Space and Type Size Requirements	55
Information Required on the Information Panel	56

Information Required on the IP or PDP.....	58
Name of Place of Business of Manufacturer, Packer or Distributor.....	58
Labeling Requirements of the Pasteurized Milk Ordinance (PMO).....	58
Special Application of General Labeling Regulations.....	60
Food Grades, Seals, Symbols, Codes and Dates.....	61
Plant Codes.....	61
Food Grades.....	62
Food Seals.....	62
Kosher Symbols.....	62
Universal Product Code (UPC).....	63
Code Dating and “Sell By” Dating.....	64
Food Warnings.....	64
Foods That Need Refrigeration.....	64
Country of Origin Marking.....	66

PRODUCT STANDARDS OF IDENTITY..... 71

Introduction.....	73
Federal Standards of Identity – 21 CFR, Part 130.....	73
Changes to Milk and Milk Product Standards of Identity.....	73
Compliance with the Standards of Identity.....	74
Stayed Provisions of the Standards of Identity.....	75
Pasteurized Milk Ordinance (PMO).....	76
Milk and Milk Product Definitions.....	76
General Definitions.....	76
Processing Definitions.....	78
Nutrient Definitions and Terms.....	79
Temporary Marketing Permits – 21 CFR §130.17.....	81
Nutrient Content Claims and Standardized Foods – 21 CFR §130.10.....	82
Product Naming According to the Generic Standard.....	83
Performance Characteristics.....	83
Ingredients.....	85
Existing Standards of Identity Bearing a Nutrient Content Claim.....	86
Milk and Eggnog.....	87
§131.110 Milk.....	87
§131.115 Concentrated Milk.....	90
§131.120 Sweetened Condensed Milk.....	92

§131.125 Nonfat Dry Milk.....	94
§131.127 Nonfat Dry Milk Fortified with Vitamins A and D.....	96
§131.130 Evaporated Milk.....	98
§131.147 Dry Whole Milk.....	100
§131.170 Eggnog.....	103
Creams.....	107
§131.150 Heavy Cream.....	107
§131.155 Light Cream.....	109
§131.157 Light Whipping Cream.....	111
§131.180 Half-and-Half.....	113
§131.149 Dry Cream.....	115
Acidified and Cultured Milks.....	117
§131.111 Acidified Milk.....	117
§131.112 Cultured Milk.....	122
Acidified and Cultured Creams.....	126
§131.160 Sour Cream.....	126
§131.162 Acidified Sour Cream.....	128
Yogurts.....	130
§131.200 Yogurt.....	130
§131.203 Lowfat Yogurt.....	135
§131.206 Nonfat Yogurt.....	140
Cottage Cheese.....	145
§133.128 Cottage Cheese.....	145
§133.129 Dry Curd Cottage Cheese.....	147
<hr/>	
JUICES AND BOTTLED WATER.....	153
Introduction.....	155
Federal Standards of Identity.....	155
Canned Fruit Juice Definitions §146.3.....	156
Canned Fruit Juice and Beverage Standards of Identity.....	157
§146.114 Lemon Juice.....	157
§146.120 Frozen Concentrate for Lemonade.....	160
§146.121 Frozen Concentrate for Artificially Sweetened Lemonade.....	162
§146.126 Frozen Concentrate for Colored Lemonade.....	164
§146.132 Grapefruit Juice.....	166
§146.135 Orange Juice.....	169

§146.137 Frozen Orange Juice.....	170
§146.140 Pasteurized Orange Juice.....	171
§146.141 Canned Orange Juice.....	174
§146.145 Orange Juice from Concentrate.....	176
§146.146 Frozen Concentrated Orange Juice.....	178
§146.148 Reduced Acid Frozen Concentrated Orange Juice.....	181
§146.150 Canned Concentrated Orange Juice.....	182
§146.151 Orange Juice for Manufacturing.....	184
§146.152 Orange Juice with Preservative.....	185
§146.153 Concentrated Orange Juice for Manufacturing.....	187
§146.154 Concentrated Orange Juice with Preservative.....	189
§146.185 Pineapple Juice.....	191
§146.187 Canned Prune Juice.....	195
Juice and Juice Beverage Labeling Requirements.....	198
Information Required on the PDP.....	198
Information Required on the IP or PDP.....	200
Fresh Juice Warning Statements.....	205
Bottled Water Labeling Requirements.....	206
Information Required on the PDP.....	206
Information Required on the IP or PDP.....	208

INGREDIENT LABELING..... 211

Introduction.....	213
Type Size and Location.....	213
Ingredient Explanatory Statement.....	214
Type Size Requirements.....	214
Ingredient Designation.....	214
Common or Usual Name.....	214
Percentage Ingredient Listing.....	216
Multicomponent Ingredients.....	217
Assortment or Variety Packages.....	218
Standardized Foods.....	218
Specific Ingredient Labeling Requirements.....	220
Colors and Coloring.....	220
Spices, Flavorings and Chemical Preservatives.....	223
Sweeteners.....	224
Fats and Oils.....	226
Functional Ingredients.....	228
Incidental Additives.....	228

“Nondairy” Labeling.....	230
Water.....	230
Irradiated Foods.....	230
Allergen Labeling.....	231
Exemptions from Ingredient Labeling.....	233
Ingredients to be Further Processed, Packaged or Labeled.....	233
Retail Bulk Containers.....	234

FLAVOR LABELING..... **237**

Flavor Labeling.....	238
Flavor Labeling Definitions.....	238
Flavor Labeling Regulations for Milk and Milk Products.....	240
Determining the Characterizing Flavor.....	240
“6-Category” Flavor Labeling Requirements.....	241
“Artificial Labeling” Requirements of Nonstandardized Products.....	242
Flavor Declaration Placement and Type Size Requirements.....	243
Chocolate Flavored Products.....	244
Flavor Labeling Examples.....	245
Category A.....	245
Category B.....	246
Category C.....	247
Category D.....	249
Category E.....	250
Category F.....	252

NUTRITION LABELING..... **255**

Introduction.....	258
Serving Size.....	258
Reference Amount.....	259
Petitioning Process.....	260
Common Household Measure.....	260
First Choice of Expression.....	261
Second Choice of Expression.....	261
Last Choice of Expression.....	261
Single-Serving Containers.....	262

Determining the Serving Size from the Reference Amount	262
Multiserving Products	262
Single-Serving Containers	263
Voluntary Ounce or Fluid Ounce Declaration	264
Converting the Reference Amount to Labeled Serving Size	264
Reference Amount Expressed in Milliliters or Grams	264
Reference Amount Expressed in Common Household Measure	265
Metric Equivalent to the Common Household Measure	265
Single-Serving Containers	266
Number of Servings Per Container	266
Multiserving Containers	266
Single-Serving Containers	267
Abbreviations	267
Expressing Nutrition Information on Alternative Basis	268
Variety Packs	268
Two or More Foods Packaged Together	268
Density Adjusted Reference Amount — Aerated Foods	269
Voluntary Declarations	269
Gift Packs	270
Information Required on the Nutrition Label	270
Expressing Macronutrients	271
Expressing Micronutrients	273
Nutrients Added to Foods	274
Nutrient Content Claims	275
Voluntary Listing of Food Components and Nutrients	275
Nutrition Label Format	284
General Nutrition Label Format Requirements	284
Daily Value Footnote	288
Format Enhancements (Voluntary)	288
Determining the Appropriate Label Format	289
Simplified Format	294
Small Packages	296
Food Sold from Bulk Containers	297
Other Permitted Formats	297
Aggregate Format	297
Two or More Columns	298
Bilingual Format	300

Exemptions from Nutrition Labeling and Foods Subject to Special Labeling Requirements.....	301
Impractical Presentation.....	302
Foods of No Nutritional Significance.....	303
Foods Shipped in Bulk.....	303
Small Businesses.....	304
Food Offered for Immediate Consumption.....	311
Foods Not Intended for Immediate Consumption.....	312
Restaurant Foods.....	312
Methods of Analysis.....	313
Compliance with Nutrition Values.....	315
Determining Nutrient Values for Dairy Products.....	316
Data Base.....	316
Dry Curd Cottage Cheese and Cottage Cheese.....	318
Calculating Nutrition Information.....	320
Milks and Creams — Unflavored.....	320
Nutrition Labeling for Flavored Milks and Creams.....	327

NUTRIENT CONTENT CLAIMS..... 333

Nutrient Content Claims General Information.....	335
Basis for Making a Nutrient Content Claim.....	335
Products with a Standard of Identity Making a Nutrient Content Claim.....	336
General Nutrient Content Claim Requirements.....	337
Referral Statement.....	337
Performance Characteristics.....	337
Expressed Nutrient Content Claims.....	340
Inherent Claims.....	340
Relative Claims.....	340
Statements Describing the Level of a Nutrient.....	343
Location and Type Size Requirements.....	344
Nutrient Content Claim Definitions.....	345
“Light” Claims.....	345
Total Fat Content Claims.....	348
Saturated Fat Content Claims.....	351
Cholesterol Content Claims.....	353
Calorie Content Claims.....	356
Sugar Content Claims.....	357

Sodium Content Claims.....	360
“More,” “High” and “Good Source” Nutrient Content Claims.....	362
FDAMA Claims.....	380
Choline Nutrient Content Claims.....	380
Omega-3 Fatty Acid Nutrient Content Claims.....	381
Implied Nutrient Content Claims.....	387
Label Statements That are Considered Implied Claims.....	387
“Healthy”.....	388
Label Statements Relating to Food Useful in Reducing or Maintaining Body Weight.....	388
Label Statements That Are Not Considered Implied Claims.....	389
Statement of Identity.....	391
Statements of Special Dietary Usefulness.....	392
Exemptions from the Nutrient Content Claim Regulations.....	392
Brand Names.....	392
Standards of Identity.....	393
Petitions for Undefined Nutrient Content Claims.....	393
Restaurant Foods.....	393

HEALTH CLAIMS AND OTHER LABELING CLAIMS..... **397**

Introduction.....	400
Health Claim Definitions.....	400
General Health Claim Information.....	401
Health Claims Defined by Regulation.....	401
FDAMA Claims.....	403
Implied Health Claims.....	404
Products Disqualified from Making a Health Claim.....	405
General Claim Requirements.....	405
Referral Statement and Claim Statement.....	406
Restaurant Foods.....	406
Petitioning for Undefined Health Claims.....	406
Calcium, Vitamin D and Osteoporosis.....	407
Product Requirements.....	407
Statement Requirements.....	407
Sodium and High Blood Pressure.....	409
Product Requirements.....	409
Statement Requirements.....	409

Dietary Saturated Fat and Cholesterol and Coronary Heart Disease.....	410
Product Requirements	410
Statement Requirements	410
Dietary Fiber and Cancer.....	411
Product Requirements	412
Statement Requirements	412
Dietary Fat and Cancer.....	413
Product Requirements	413
Statement Requirements	413
Dietary Fiber and Cardiovascular Disease.....	414
Product Requirements	414
Statement Requirements	414
Fruits and Vegetables and Cancer.....	415
Product Requirements	415
Statement Requirements	416
Folate and Neural Tube Defects.....	416
Product Requirements	417
Statement Requirements	417
Dietary Sugar Alcohols and Dental Caries.....	418
Product Requirements	418
Statement Requirements	419
Soluble Fiber and Coronary Heart Disease.....	419
Product Requirements	420
Statement Requirements	420
Soy Protein and Coronary Heart Disease.....	421
Product Requirements	421
Statement Requirements	422
Plant Sterol/Stanol Esters and Coronary Heart Disease.....	422
Product Requirements	423
Statement Requirements	423
Whole Grain Foods and Heart Disease and Certain Cancers.....	425
Product Requirements	425
Statement Requirements	425
Potassium and Cardiovascular Health.....	426
Product Requirements	426
Statement Requirements	426

Whole Grain Foods with Moderate Fat Content and Heart Disease	427
Product Requirements	428
Statement Requirements	428
Fluoridated Water and Dental Caries	428
Product Requirements	429
Statement Requirements	429
Saturated Fat, Cholesterol and Trans Fat and Heart Disease	430
Product Requirements	430
Statement Requirements	430
Substitution of Unsaturated Fatty Acids for Saturated Fats and Heart Disease	431
Product Requirements	431
Statement Requirements	431
Qualified Health Claims	432
Levels of Qualified Health Claims	432
Allowed Qualified Health Claims	434
Procedures for Qualified Health Claim	434
Structure/Function Claims	434
Claims Made About Other Aspects of a Food Product	435
Fresh Claims	435
Organic	436
Natural	439
Carbohydrate Claims	440
Trans Fat Statements	441
Recombinant Bovine Somatotropin (rbST)	441
Package Size Savings, Savings Representations and Introductory Offers	444

ENVIRONMENTAL LABELING	447
Introduction	448
Guides for the Use of Environmental Marketing Claims	448
Environmental Marketing Claims	448
