

INTERNATIONAL SWEETENER COLLOQUIUM

February 26 – March 1, 2023

For more than forty years, the International Sweetener Colloquium has been a popular place for industry professionals to meet, network and conduct business. The flexible meeting format and location encourage formal and informal discussions and fosters relationships, while a host of informative presentations highlight important trends and issues affecting the sweetener industry.

The Colloquium draws hundreds of professionals and decision-makers from the sweetener industry and from companies that use sweeteners in the products they make. Buyers, refiners, distributors, and food companies actively participate in the Colloquium, using it as a springboard to enhance their business and trading-partner networks.
